

## A Fabulous Foursome for the Forty-Fifth Season

THOMAS COOK  
*Music Director*

Welcome! Come and enjoy this extraordinary season of music by your Macomb Symphony Orchestra. It's an exciting season packed with momentous music at a great price and great locations played by the outstanding musicians of your Macomb Symphony Orchestra. The season reflects my 45 years with your MSO. Some things seldom change... Some things do!

After the popular concert of ethnic pride this fall featuring all things Scottish, the December concert with Prof. Gregory Sumner continues with "Holidays Flicks," music associated with films set at and around the Christmas season.

In March - something new! The concert of baroque music, now a major attraction for our audience, will be presented at Trinity Lutheran Church (Van Dyke at M59). Joining the Chamber Orchestra will be the Macomb Chamber Choir from Macomb Community College.

The season concludes with "Broadway all the Way," a celebration of the American stage, offering everything from *Show Boat* to the recent sensation, *Frozen*. Enhancing this performance will be the vocal stylings of Billy and Amy Petty.

It is your presence that transforms notes on a page into heart-expanding, heart-breaking, and

heart-stealing music. With great affection for this orchestra, I personally invite you to join us for our Forty-Five Celebration season.

See you at the Symphony,

Thomas Cook,  
Music Director & Conductor
